Matthew Rosenberg : Civil War II: Kingpin (Marvel Universe Event) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civil War II: Kingpin (Marvel Universe Event):

1 of 2 people found the following review helpful. Oof! Some of the worst art I've ever seen. By Spidey Kingpin runs around New York during Civil War II. Yeah, that's pretty much the plot. The Good: It was only 4 issues although that was 3 and a half issues too long. The Bad: Everything about this was bad. The story was boring, the art horrific. The Ugly: Some of the worst art I've ever seen in a comic. It literally looked like my toddler nephew's scribbles.

While the issues that propel the second CIVIL WAR diide the heroes of the Marvel Universe, they have an impact upon the villains as well! Where Do They Stand in this brave new Marvel U. and how far will they go to make it theirs? COLLECTING: Civil War II: Kingpin 1-4, Amazing Spider-Man (1963) 51
