Matt Fraction : Civil War: Punisher War Journal (New Printing) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War: Punisher War Journal (New Printing):

Hey there, Marvel Universe. The Punisher is back - with a vengeance. And he's taking no prisoners...literally! With Civil War in full-throttle mode, Frank Castle is feeling the heat. His safe houses have been raided and his munitions

seized, and he's square in the crosshairs of a Marvel Universe big gun who always gets his man. Until now, this wasn't Frank's war. But when spandex-clad baddies start carrying badges - well, let's just say that's something the Punisher can't abide. Frank Castle doesn't play well with super heroes, and they don't play well with him. COLLECTING:
