Charles Soule : Civil War: Warzones! before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War: Warzones!:

0 of 0 people found the following review helpful. nostalgia for 2006By Frank L. Greenagel IIThis is a nice follow up to one of Marvel's best events: the 2006 Civil War between Steve Rogers and Tony Stark over the Superhuman Registration Act. It was clearly an allegory for the 2001 Patriot Act in America. Rogers believed it was unAmerican while Stark thought that order and safety took priority.With Secret Wars, Marvel has had a chance to revisit some of

their big events over the last 30 years and some elseworld (thanks DC for the term) stories as well. This tale takes us to a world where the Civil War never ended. At first, there are some disturbing characters that are on the wrong side (for who they are), but this is resolved effectively and to my satisfaction. It's a fun story, but not a classic. Which is ok. Everything can't be a classic. 0 of 0 people found the following review helpful. Five Stars By darren albert Great what if book 0 of 0 people found the following review helpful. Five Stars By casey evans A fun read. A great story on what would've happened if civil war had never ended

Prepare to discover one of Battleworld's most contested zones - where CIVIL WAR never ended! In this Domain, the conflict over the Superhuman Registration Act reached a climax that physically tore the country in half. The East became the Iron, with Tony Stark imposing order. The West became the frontier known as the Blue, with Steve Rogers enforcing justice. Each may have his throne, but this is no game. The nation's heroes are split between the feuding territories - old friends now bitter enemies, and families torn apart. But, six years later, the two figureheads meet at the Divide that scars the landscape. Could this historic summit mean there is finally hope for peace? CIVIL WAR plus SECRET WARS equals probably not! COLLECTING: CIVIL WAR (2015)
