Much grittier and real that the early 80's cartoon, and easily one of the best comics from the 80s. Give it a shot!0 of 0 people found the following review helpful. I'm glad that IDW put the time into redoing these classics ...By Edward TuckerThis is issue 10 of the first original series. I'm glad

that IDW put the time into redoing these classics so everyone new and old to the comics can read them. 1 of 1 people found the following review helpful. Great compilation of the original GI Joe comic book series By Mark M. This trade paperback collects 10 issues of the original GI Joe comic book series originally published in the 1980's. The reproduction and binding of these reprints is great, no need to pull out all your individual issues to reread.

Classic G.I. Joe Volume 10 continues the original run of A Real American Hero, featuring stories like "No Simple Solutions," "Taking the Plunge," "What Goes Around, Comes Around," and "Seeds of Empire."
