**Larry Hama, Steven Grant : Classic G.I. Joe Vol. 2 (v. 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic G.I. Joe Vol. 2 (v. 2):

3 of 3 people found the following review helpful. Collects Issues #11-20 of the late 1980s Marvel Comics series By K. W. Schreiter This full-color IDW 240-page trade paperback reprints the second ten issues of the 1980s Marvel Comics "G.I. Joe: A Real American Hero" series with original cover dates of May 1983 to February 1984. Most issues were written by Larry Hama with penciling by Mike Vosberg and inks by Jon Agostino. G.I. Joe is an elite US

counterterrorism strike force that are secretly headquartered beneath an army chaplain's motor pool and locked in a struggle against the stateless terrorist organization Cobra. Several new Joes appear in #11, including Airborne, Doc, Gung Ho, Snow Job and Wild Bill. Ace and Cover Girl also join the team in this run. Destro makes his first full appearance in #14: he is both right-hand-man and rival to Cobra Commander and love interest of the Baroness. Dr. Venom, Major Bludd and Scarface also feature heavily in this run. The Joe team battles Cobra plots from the Alaskan tundra to the fictional banana republic of Sierra Gordo to the National Mall in Washington, D.C. Kwinn returns and forms a vengeful alliance with Snake Eyes in pursuit of the ruthless Dr. Venom. The action climaxes with a Cobra attack on G.I. Joe headquarters and several key deaths at the end of #19. #20 is a fill-in issue showing Clutch on a furlough. All ten covers are included, and IDW did not remove all "Marvel Comics" references as they had for Volume 1. The TPB credits indicate that IDW has recolored the original artwork. This series ultimately lasted for 155 issues, and IDW will release further reprint collections in 2009, as well as a new G.I. Joe comic book series that disregards the previous continuity.

By MichaelGood stories, still holds up to today comics.  
0 of 0 people found the following review helpful. Great storyline featuring Kwinn -just in time for his action figure release  
By juggalojedi666 Classic storyline featuring Kwinn, Dr. Venom and Snake eyes in the fight for there life while everyone thinks there dead. Each of them having to rely on each other strengths and no one able to trust the other. One of my favorite storylines of the entire 170+ comic series from Larry Hama, this release is the perfect compliment to the release of the Kwinn action figure that G.I. Joe fans having been waiting nearly 30 years for. I recommend this great reading material for the casual fan or revisiting the story for the hardest core fan!

The original Marvel Comics adventures of America's elite special-missions force continue with the recruitment of Roadblock and Duke; the emergence of the enigmatic ninja known as Storm Shadow; and the debut of the duplicitous Zartan, master of disguise! This action-packed volume collects classic Marvel Comics G.I. Joe #11 to 20.

About the Author Larry Hama is a writer/cartoonist/illustrator/actor/musician who has worked in comics, tv and film.
