**John Ostrander : Claws of the Dragon (Star Wars: Legacy, Vol. 3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Claws of the Dragon (Star Wars: Legacy, Vol. 3):

2 of 2 people found the following review helpful. John Ostrander gets better and betterBy Kid KyotoIn the 80's John Ostrander's Suicide Squad was on of the best dark superhero books around. In the 90's his horror superhero book 'The Spectre' was one of the strongest takes on the character yet.So it's no surprise that in the 00's his dark take on the future of the Star Wars universe would be so good.He continues to show his skill at developing memorable characters in a

short amount of time and keeping multiple storylines going. In this volume the corruption of Cade Skywalker continues and we learn more about the villain of the book. The art remains as good as ever with aliens and humans coming to life. This series works for both casual fans of Star Wars and for the obsessive fans who know every supporting character from every expanded universe book. That really shows Ostrander's skill at explaining and developing stories. I'm hungry for the next volume.

By Ron Cole  
Cade Skywalker is a rebellious and emotionally broken former Jedi. Sought by the evil Sith that now rule the galaxy, scheming factions of the Empire, and his own former teachers, Cade heads to Coruscant, the stronghold of his enemies, to try and make amends for the wrongs he has committed.

Claws of the Dragon is the most powerful and action-oriented addition to the Legacy series so far. Bringing together the various threads and backstories from Shards (Volume 2), CotD presents an excellent story filled with battles, scheming, and death that will rock the Star Wars Legacy universe. As well, the origins of such characters as Darth Krayt and Morrigan Corde are revealed. CotD is my favorite entry in the SW:L universe so far, and I highly recommend it to both graphic novel enthusiasts and Star Wars fans. Volumes 1 and 2 should be read first, however, as Volume 3 builds significantly on the previously-established storylines.

Note: Star Wars Legacy, Volume 3: Claws of the Dragon collects issues 14 through 19 of the comic book series.

By Edward J. Fik  
Great product and fast shipping!

"Claws of the Dragon" - one hundred years after the events in Return of the Jedi, Luke's descendent Cade Skywalker is captured by the Sith, Emperor Darth Krayt unveils his true identity, and a secret chapter in the life of Obi-Wan Kenobi is revealed. When Cade attempts to rescue the Jedi he turned over to the Sith during his days as a bounty hunter, the last Skywalker soon finds himself in the clutches of Darth Krayt. There, Cade must confront his past and decide once and for all: will he remain the Emperor's prisoner or become his thrall? Learn whether the Skywalker line lives up to the triumph of Luke or returns to the tragedy of Anakin!
