Gail Simone : Clean Room Vol. 3: Waiting for the Stars to Fall before purchasing it in order to gauge whether or not it would be worth my time, and all praised Clean Room Vol. 3: Waiting for the Stars to Fall:

0 of 0 people found the following review helpful. A good end to the current run By SpideyQuentin Winter's colors made this a smooth transition to Walter Geovani on art chores. The fill-in issue felt out of place in the middle of the overall story. It tells the story of a Pawn that we barely see outside of this one issue. Felt somewhat rushed as the

entities make their move. Considering the slow build we've had up to this point, I expected this to be much more drawn out. Supposedly, Clean Room is coming back for a Season 2, but this felt like a closure to the series to me. 1 of 1 people found the following review helpful. Satisfying End to An Impressive Series By Alicea PortFolio The last book in the highly lauded Clean Room series; easily Simone's best work (so far) and that's not because her other writing is lacking.... quite the opposite. I loved every bit of this series beginning, middle, right down to this superb end. I really cannot recommend highly enough! 1 of 1 people found the following review helpful. Excellent! The story is left off where it could ... By Frankly Excellent! The story is left off where it could be the end but I am not sure. I really enjoyed this and felt it hit all the right notes--

Superstar writer Gail Simone and artists Walter Geovani and Sanya Anwar bring the first arc of one of the most terrifying tales ever published by Vertigo to a close in CLEAN ROOM VOL. 3: WAITING FOR THE STARS TO FALL. Astrid Mueller, the famed pulp novelist turned New Age guru, knows the secret horror that lurks beneath the surface of the world. She can see the vicious Entities pecking and clawing their way into our reality, sowing hatred and cruelty and death out of sheer sadistic glee. She has dedicated her life to developing tools, technology and an army of believers to stop them. But now the final hour is here, and Astrid is out of action. Her closest friends and followers have been compromised, her headquarters is the site of a mind-numbing bloodbath and that's just a taste of the unspeakable evil that will soon engulf the world. Can Astrid and her allies rally enough strength to stop this all-out assault and save what remains of humanity? Or will the power of the Clean Room be twisted into the ultimate weapon of defilement? CLEAN ROOM VOL. 3 collects issues #13-18 of the acclaimed series.

About the Author A multiple award-winning, critically acclaimed writer of comics and animation, Gail Simone began writing as a columnist for comicbookresources.com, producing the comics parody column "You'll All Be Sorry." She has since had fan favorite runs on such books as BATGIRL, WONDER WOMAN, SUPERMAN, SECRET SIX, BIRDS OF PREY and the creator-owned Welcome to Tranquility. She currently writes CLEAN ROOM for Vertigo.
