Clive Barker, Christopher Monfette : Clive Barker's Hellraiser Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Clive Barker's Hellraiser Vol. 1:

What ruins the product, however, is the quality of the item itself. The pages started falling out after only two days. The minute I opened the book, I could see the strain on the spine, the pages slowly peeling away from the glue. And it's not just this issue. I also purchased

volume two and it has the same problem. If the quality of the book was better, I'd have no problem giving this a five. As is, though, I feel kind of cheated that I only got one read out of it before it fell apart. 0 of 0 people found the following review helpful. Thanks By vanessa Rodriguez My favorite horror I love Hellraiser so much thanks I love reading I love it thanks thanks thanks 5 of 6 people found the following review helpful. A Great Return For Clive Barker By Royland Odell Owens It's been 25 years since the original Hellraiser movie and I for one am happy that Clive Barker is back working on the world and characters he created and I for one am glad he brought Kirsty Cotton back into picture. Although I own the Hellraiser Collection on DVD, I think reading this book was a better experience than watching any Hellraiser movie that comes after Hellbound: Hellraiser 2. This book also shows a different side of Pinhead and his fellow Cenobites. I have always viewed their service to Hell as unwavering, but it is cool to see that they have their own agenda, Pinhead especially. I can't say much more without giving out spoilers, but this was a great read. I own volumes 2 and 3 and as long as this series is in print, I'll be along for the ride.

Hell has come home as Clive Barker returns to writing his signature creation! Clive Barker has touched Hellraiser only twice before: once to write The Hellbound Heart, and once more to write and direct the original Hellraiser film. With the HELLRAISER ongoing series, witness Barker's long-awaited return to tell a new chapter in the official continuity a trajectory that will forever change the Cenobites and Pinhead! So prepare your soul for an epic journey into horror from one of the mediums greatest voices, and starring one of the mediums greatest characters, in an unforgettable new chapter of Hellraiser.
