While the story was really what I was after, the copy I ordered was supposed to be new. Looks like it's been read more than a few times and not treated well. Binding is weak. Pages look like they're going to fall out and the cover is bent in two places. I'm unhappy, . Very unhappy.0 of 0 people found the

The pages are now a collection of sheets. Very sad....but the story itself was so intriguing that I ended up having to read the comic sheet by sheet.
