The Ingenix Coders' Desk Reference for Procedures is a comprehensive resource for all 2012 CPT codes. This all-inclusive tool helps identify the minute differences between, and components of, similar CPT codes. You'll code more accurately from operative reports and produce cleaner claims the first time by improving your understanding of the clinical meanings behind the codes and checking billing and coding information for Medicare. Plus, this reference is ideal for training new coders and medical staff in the CPT coding system.
