Great ResultBy haley tandyI had never bought comic books before and knew very little about them. I was purchasing them as a gift and it was very important to me that they were quality products. They were way more than I expected and the customer service was fantastic. My gift was loved and I couldn't be happier with the result. 100% would recommend to others looking for a good selection of quality books.10 of 11 people found the following review helpful. Very nice Comic Grab Bag!By PilarAt Christmas I ordered a lot of 50 comic books from another seller and this 25 issue Comic Grab Bag for my son. I e-mailed this seller with the request of keeping in mind that my son is 11 years old when they are deciding what to throw in the Grab Bag. Granted they didn't have to honor my request in the slightest, considering it's right there in the title, "Grab Bag"! I'm pleased to report that they kept his age in mind, and with the exception of only 1 comic book that I felt was too mature for him, the order was great, a fine selection of comics, and to quote my son, "Awesome, 5 stars, mom" :) The other seller did a great job for

us as well, and since this was my first time buying comic grab bags, I felt I got lucky finding two excellent sellers!

Grab Bag contains 15 Mixed major titles and 10 other random comics from Marvel and DC Comics.
