And enjoy re reading it. 4 of 4 people found the following review helpful. Beyond EPIC By SkinnyBoyArt This book is BEYOND Epic!!!!!! If you are a fan of amazing works of art, especially impressionism, you will absolutely love this book. The art work is striking, shocking and epic. This series of paintings tell an amazing story in themselves and are very expressive. If you are at all a fan of world war 1 and 2, robots, martians, art, epic battles or all of the above, this book is for you! And the best part that absolutely tops this book off, is the fictional short paragraphs written as letters and momentos during this war. It just adds to your imagination of the story your creating in your head by viewing these works of art. The paragraphs are a perfect compliment to these paintings. Every artist needs to buy this book! 1 of 1 people found the following review helpful. the artworks is fantastic! AW dirty brushstroke style By GCSWW5 storyline? Not sure dude. But what makes me so interested in this book, the artworks is fantastic! AW dirty brushstroke style; undefine shape or line just portrait a beautiful WWR. It's even express the war zone environment with it style of painting. If u are AW's fans check it out his vinyl toys/figure. Is supers unbelievable detail oil paint work. Produced by 3A

Its total robot war! In development to be a major motion picture, Ashley Woods World War Robot tells the tale of a

dwindling band of humans and robots who face off in a battle that will likely end humanity as we know it on Earth, on the Moon, and on Mars, too! Badass battles, really intense human/robot drama, and even a little black humor and political intrigue are the order of the day in this oversize epic that collects both previous books in one deluxe hardcover volume.

About the Author Ashley Wood is an Australian visual artist perhaps best known for his work on *Spawn*, *Zombies vs. Robots* (with Chris Ryll), *Popbot*, and *Metal Gear Solid*. He's contributed cover art to titles too numerous to count. In 2008, Ashley partnered with Hong Kong toy maker Kim Fung Wong to form ThreeA, a toy, entertainment, and publishing company known internationally for their intricately detailed and uniquely designed original and licensed collectible toy lines. Ashley has won two Spectrum Awards and been nominated for an Eisner and multiple Eagle Awards.
