Kurt Busiek : Conan Volume 1: The Frost Giant's Daughter and Other Stories (Conan (Dark Horse)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Conan Volume 1: The Frost Giant's Daughter and Other Stories (Conan (Dark Horse)):

When the internationally famous barbarian hero returned to comics, with an all-new fresh start by award-winning writer Kurt Busiek (JLA/Avengers, Astro City) and dynamic artists Cary Nord, Thomas Yeates, and Dave Stewart, the result was instant sell-outs and multiple printings to keep up with the demand. Now Conan's earliest adventures are collected in a handsome 192-page collection. Catch all the action and savagery as he wars with the murderous Vanir, meets the Frost Giant's Daughter, and is taken as a slave by the ancient sorcerers of Hyperborea! This top-selling new series faithfully expands on original author Robert E. Howard's literary creation.
