Roy Thomas : Conan Volume 11: Road of Kings (Conan (Dark Horse)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Conan Volume 11: Road of Kings (Conan (Dark Horse)):

3 of 3 people found the following review helpful. One of the best Conan stories in the seriesBy jayNo spoilers in this review, so feel safe to read this without hesitation. This was the second best book in the series to me, second only to the 2nd book, The Frost Giant's Daughter Other Stories. Wow, non-stop excitement from beginning to end, with a few great surprises, and Conan meets an old friend from a prior book, and some good villains. Conan wears many hats, so to

speak, in this book, and covers great distances going from one city to another. I really liked that he meets an old friend from one of the older books, that was fun to me, and of course Conan ends up working for him once again. Can't say enough about this story, and definitely makes me want more. I feel Conan is really living on borrowed time, hanging by the skin of his teeth, by the end of this book. He has some really close calls in this book. The art was not very good, especially since it follows some great artwork in Iron Shadows In The Moon, so I docked it one star. The art looked rushed, like they were trying to get this to market very quickly. I hope Dark Horse either gives its illustrators more time to draw, or pick better illustrators, but the story was so great it more than make up for it, after all, we buy these books more for the stories, not so much for the pictures. Amazing, and a real enjoyment! Can't wait for the next one.0 of 0 people found the following review helpful. Four StarsBy CustomerGreat book for any Conan fan. Great art solid story.0 of 0 people found the following review helpful. Five StarsBy columbus tillmanexcellent

The man who brought Conan to comics, legendary writer Roy Thomas, returns to scripting the Cimmerian's exploits!The journey down the fabled Road of Kings is a treacherous one, filled with monsters, angry victims of Conan's light fingers, and other thieving highwaymen. While Conan becomes caught up in palace intrigue along the way, a slaver kidnaps his companion Olivia, determined to collect a ransom from her royal father! Collecting Conan: Road of Kings #1-6, this volume contains some of the most thrilling Conan stories ever printed!

About the AuthorRoy Thomas is a comic book writer and editor. He is a former editor in chief of Marvel Comics.
