SmithGreat book. Fine details on the artwork. Great origin story of Belit....overall a good book I would recommend any Conan adventure lovers to get this one.

In the wake of an unthinkable tragedy, Conan and Blit find their bond buckling under an enormous strain. When Blit returns to her childhood home, what she discovers in the sands of Shem could separate her from Conan forever. Conan then seeks clarity through the mind-altering power of the yellow lotus, but the visions revealed to him may be more than the barbarian can bear. Brian Wood's defining run on Conan continues with art by the celebrated talents of Davide Gianfelice, Mirko Colak, and Andrea Mutti!
