Fred Van Lente : Conan Volume 18: The Damned Horde before purchasing it in order to gage whether or not it would be worth my time, and all praised Conan Volume 18: The Damned Horde:

0 of 0 people found the following review helpful. a very smart attack on a city of pyramids By Frank L. Greenagel
I This immediately follows the events in volume 17 and includes many of the same characters. It also set up volume 19 very well. Van Lente does a decent job with the dialogue. The plot ideas are solid. There is an attack on a city, and it is handled very deftly and in a fairly unique fashion. The appearance of Thoth-Amon adds to the tale. The art is fine, though the splash pages are very nicely done. Another reviewer wrote that this story has an aspect of anti-white

propaganda. It does not. I'm not sure where that reviewer is from or what is going on in his/her life that creates such a viewpoint, but objectively it is just not so. 0 of 0 people found the following review helpful. The art takes a bit to get used to but the story is very good. By B. I don't like the artistic style at all although I became used to it after the first few pages. However the story is a good one has a great ending. There are a few plot inconsistencies and some confusing but overall it's recommended. 0 of 0 people found the following review helpful. Five Stars. By David A+ thanks!

Writer Fred Van Lente takes on the world's most famous barbarian! Conan and his allies are thrown into battle against an army of brigands, thieves, and ravagers hailing from all corners of the globe and led by a disgraced prince with pillaging on his mind! Conan enters into an uncertain alliance with this damned horde to steal a legendary treasure of immeasurable wealth that leads him on a perilous journey! And in the shadows a great evil lurks, awaiting its chance to destroy Conan! This enthralling volume collects issues #7--12 of the Dark Horse Comics series Conan the Avenger.

About the Author Fred Van Lente is the #1 New York Times bestselling author of *Marvel Zombies*, *Incredible Hercules* (with Greg Pak), *Odd Is On Our Side* (with Dean R. Koontz), as well as the American Library Association award-winning *Action Philosophers*.
