Dan Jurgens, Jeff Parker : Convergence: Infinite Earths Book Two before purchasing it in order to gage whether or not it would be worth my time, and all praised Convergence: Infinite Earths Book Two:

1 of 1 people found the following review helpful. Five StarsBy DavidSilly fun good art for story3 of 3 people found the following review helpful. And now Book TwoBy EdM.This volume of Infinite Earths has a variety of lost timelines and other-earths. The pre-Crisis Earth S (later known as Earth 5) has the original versions of Captain Marvel and Fawcett City heroes dealing with its villains along with an attack by the "Gaslight" (steampunk) world. The art

nicely alternates between fifties style and the gritty steampunk world. A few surviving heroes from Earth-4 face off against one version of the Legion of Super-heroes while two versions of Booster Gold are confronted by another version of the Legion. Yes, it does get a little complex by this point but somehow it sorts itself out. The final story- The Freedom Fighters of Earth X (or ten) from the 1970's along with Nazi villains combine forces to defeat the evil cyborgs from the Futures End timeline. Four stars overall despite the time twisting and looking up who's who in Wikipedia. These two volumes can be read separate from the main title on their own and actually are better anyway. Nicely done and far better than the other Convergence titles. 2 of 2 people found the following review helpful. Best of the bunch. By darrell frazier It is definitely true that the convergence books were a mixed bag at best. Some were fun, some entertaining, some painful to endure. I agree with the other reviewer that this is the best of the bunch. The cover story, featuring Captain Marvel by Jeff Parker and Doc Shaner is my favorite of all the convergence titles. These two creators obviously were excited by the opportunity to revisit the pre-new 52 versions of the characters. The art is stunning, and having gotten the chance to talk to Doc Shaner at a comicon, found out that working on the original Marvel family was his dream project. It was just fun. (If you liked this book you should check out the Flash Gordon collection that the team also worked on together.) The story featuring the Charlton heroes versus the Legion was also a lot of fun, with the Ted Kord Blue Beetle getting a lot of respect by the creative team while not being always taken seriously by his fellow adventurers. I also enjoyed the Booster Gold and the Crime Syndicate stories. The Plastic Man story is interesting, but is much darker in tone. All in all, a fun volume, well worth the purchase.

A CONVERGENCE tie-in graphic novel, starring heroes from CRISIS ON INFINITE EARTHS! Once, there were infinite Earths. Then there came a Crisis Zero Hour Flashpoint. Worlds lived. Worlds died. But some worlds must now fight for their future in the Convergence! The evil alien intelligence known as Brainiac has stolen 50 domed cities from throughout time and space and sealed them behind impenetrable domes. Now, after a year, the domes will come down and the heroes and villains of 50 dead worlds must battle to be the last one standing! In this volume: SHAZAM: Its Shazam vs. steampunk as the Captain Marvel family faces an invasion by the world of Gotham by Gaslight! BOOSTER GOLD: When time-displaced heroes collide! Booster, Rip Hunter and the Time Masters face off against Superboy the Legion of Super-Heroes with the entire Convergence hanging in the balance! BLUE BEETLE: The heroes of Hub City Blue Beetle, Captain Atom and the Question stand watch against an entire army of Legionnaires! CRIME SYNDICATE: The evil equivalents of the worlds most powerful heroes rule their city with an iron fist until the mind-blowing super-beings of DC One Million arrive to topple their tyranny! PLASTIC MAN AND THE FREEDOM FIGHTERS: In a world where World War II ended in Americas defeat, the few heroes left standing are about to fall before the Nazi regime until the killer cyborg superheroes of Futures End attack! Superheroes from the Multiverses most unique worlds and far-flung eras battle some of its most ruthless villains in CONVERGENCE: INFINITE EARTHS BOOK 2!

About the Author Dan Jurgens is a writer and artist most famous for creating Booster Gold as well as for being one of the main forces behind "The Death of Superman." He has written and/or illustrated titles such as JUSTICE LEAGUE AMERICA, Captain America, The Sensational Spider-Man, Thor, TEEN TITANS, AQUAMAN, DC's Tangent imprint, and the company-wide DC crossover known as ZERO HOUR.
