**Rod Espinosa : Courageous Princess, The Volume 1 Beyond the Hundred Kingdoms (3rd edition) (The Courageous Princess)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Courageous Princess, The Volume 1 Beyond the Hundred Kingdoms (3rd edition) (The Courageous Princess):

7 of 7 people found the following review helpful. The drawings are beautiful, the story is interesting  
By Amy Isikoff Newell  
My kids (boy and girl) wore through 4 copies of the paperback version of this, over a period of several years. It's also been one of our go-to birthday presents for other kids (up there with Amulet and Zita the Spacegirl) I was so excited it was re-released in a more durable hardcover, and we are all thrilled that #2 and #3 are coming out. Unlike so many so-called strong princesses these days Mabelrose is not sexualized and not productized: she's a scared girl from a loving family who plucks up her courage when she needs to, rescues herself, and goes on to rescue others. The drawings are beautiful, the story is interesting, and you can't help but love Mabelrose. I do wish Rod Espinosa would invent names that were more pronounceable, as some of them I just have to mumble my way through, but that's a minor quibble with what is obviously a true labor of love.  
5 of 5 people found the following review helpful. Good solid story  
By Michael R. Smith  
My daughters loved the story and want to be Mabelrose. A nice example of a strong female character. Reading level was M-N or second to third grade. The reader can be younger or older depending on his or her reading skills.  
2 of 2 people found the following review helpful. Princess Mabelrose  
By MG87  
This is a great book. Once you start reading you won't want to put it down til you finished. Loved it so much I ordered volume 2. Really great story with wonderful artwork. I like how there is finally a princess who doesn't depend on her beauty. Mabelrose is a beautiful girl inside and out.

Once upon a time, a greedy dragon kidnapped a beloved princess . . . But if you think she just waited around for some charming prince to rescue her, then you're in for a surprise! Princess Mabelrose may not be the fairest of the land, but she has enough brains and bravery to fend for herself in a fantasy world of danger and adventure! From a mighty dragon with an army of trolls to a tyrant tiger king, Mabelrose meets each challenge with pluck and intelligence, winning the help and friendship of the many kindred spirits she encounters in her quest to find her way home.

About the Author  
Rod Espinosa is a Filipino comics creator, writer, and illustrator. In addition to his lengthy work Neotopia, for Antarctic Press, Espinosa has done extensive work adapting and illustrating literary classics into comics form, as well as creating comic book stories of important events from American history.
