**American Medical Association : Cpt 2000: Current Procedural Terminology** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cpt 2000: Current Procedural Terminology:

0 of 0 people found the following review helpful. CPTBy Gloria GironThe book was in excellent condition and I greatly appreciate that. even though It was a little bit outdated it worked for me, it served its purpose. I will not hesitate to buy another book through . Thank you.7 of 7 people found the following review helpful. So Easy To UseBy A CustomerIf you're going to update your cpt book, be sure to pick this one up. Not only does it come with tabs to divide each section for quick reference, but the spiral binding is extremely convenient for looking up codes. Now you can leave a page exposed without worrying about the book falling closed, which is fabulous!

...this easy-to-use, easy-to-read reference has more than 600 new code changes and other updates to help you code

quickly, accurately and easily and comes in soft bound or spiral bound formats.
