I am a quadriplegic and it is difficult to turn pages with a paperback book, but for someone who has use of their hands and arms. No problem, I feel that the book is a great book for anyone who has use of their arms.Joe Ray0 of 0 people found the following review helpful. Five StarsBy Doctor Disney FanThis book is SO helpful for my medical office.1 of 1 people found the following review helpful. This is the book I was in need of all ...By Chris MillettThis is the book I was in need of all class. Although I managed without the book for all but 2 weeks, once I did receive it, everything my professor had instructed us on,

made sense.
