American Medical Association : CPT Changes 2016: An Insider's View (Cpt Changes: An Insiders View)

before purchasing it in order to gage whether or not it would be worth my time, and all praised CPT Changes 2016: An Insider's View (Cpt Changes: An Insiders View):

3 of 3 people found the following review helpful. An Insiders View every year but this one is one of the best. It is spiral bound and much easier to ...By Margie ClarkI get the CPT changes : An Insiders View every year but this one is one of the best. It is spiral bound and much easier to find information.0 of 0 people found the following review helpful. Spiral boundBy Favorite AuntieThe edition is spiral bound - much easier to use.

For a better understanding of the CPT code set, rely on the best-selling CPT Changes 2016: An Insider's View. Find the meaning behind all of the changes noted by the symbols you've come to know within the AMA's CPT Professional Edition codebook. Completely redesigned for ease of use and a better understanding of the changes. CPT Changes 2016 features improved rationales to communicate the reasons for, and the implications of the changes. Additional features include: new headings and tabs for easier navigation, improved rationales to communicate the reasons for -

and the implications of the changes, new table at the beginning of each section detailing the code changes within that section and new subject-code index for quick search and access to codes and procedures. Includes a free CPT Changes Webinar with every copy. Webinar features CPT editorial experts discussing latest CPT code changes and rationales behind the changes. Access the webinar online and on your own schedule. Includes four AAPC and four AHIMA CEUs.
