Contains two whole issues of nothing but Poe stories animated by many of the wonderful Spanish artists that Warren Comics employed in the 70's (Vicenta Alcazar, Isidro Mones, Jose Ortiz, Luis Bermejo, and many others) who added so much to the depth and maturity of Creepy comics. This volume also contains an entire issue devoted to Spanish artist Luis Bermejo whom is by far my favorite of all the Spanish illustrators. His art brings a whole new level of complexity, technique, gothic horror, and pure psychedelica to the golden age of Creepy comics. And with writers like Budd Lewis and Gerry Boudreau along side these artists, masterpieces take form. For example, "His Name is John", by Luis Bermejo and Budd Lewis is an absolute classic and probably my favorite comic in all of

When Creepy teams up with Edgar Allan Poe, you know you're in for a terrifying treat! The latest hardcover volume in Dark Horse's Creepy Archives series includes a whopping twelve tales adapted from the founding father of short-form horror himself. Creepy Archives Volume 15 collects issues #69-72 of Warren Publishing's monumental anthology and features work by Richard Corben, Bernie Wrightson, Luis Bermejo, Jose Gual, and others! All original Creepy magazine letters columns and features are included - like the "Everything You Always Wanted to Know...About Comics!" series of articles - plus a new introduction by comic-book writer and journalist Steve Ringgenberg.
