Various, Archie Goodwin, Larry Hama : Creepy Archives Volume 24: Collecting Creepy 112-116 before purchasing it in order to gage whether or not it would be worth my time, and all praised Creepy Archives Volume 24: Collecting Creepy 112-116:

Uncle Creepy--your favorite cackling comrade--has put together an impressive assembly of creators for Creepy Archives Volume 24! Stories by Archie Goodwin, Bruce Jones, Larry Hama, John Severin, Alex Toth, Al Williamson, Walter Simonson, and many others are collected in this horrifying hardcover, featuring issues #112 to #116 of Warren Publishing's groundbreaking and experimental horror title. This tome is overflowing with classic collaborations, timeless terror tales, bizarre creatures, and strange settings!

"With solid writing and unforgettable art ranging from ultra-realistic to bad-acid trips, Creepy rightfully holds a place in comics history." -Fangoria.com
"Creepy, in my opinion, is the greatest horror anthology comic of all time. The lovingly reproduced archives Dark Horse puts out are a result of the influential nature of Creepy on many of the top names in horror today--and they really brought it with getting some of the top names in comics to work on these stories." -EatGeekPlay.com
"There's no small amount of charm to these stories. Each little tale is like a time capsule, evocative of their era and with an atmosphere of dread . . . The art is, almost without question, stunning." -BigComicPage.com
"It is these comics that set the precedents for horror comics now, hell, for horror in general. These comics are full of old-school scary fun for a new-school audience that are still as entertaining now as they were back then." -Fangoria.com
