Returning writers/artists return for a 4 volume collection of the 'NEW Creepy' (issues 1 thru 4 from 2008-2011). I did like most stories and each issue (of the Four) has a beautiful full color page of original issues cover. Can't wait for 5-8 to come out. Please be advised if you're buying for a younger teen that there is some use of the 'eff word' and some

adult themes in some stories. Book is same size as a 'Showcase presents' book. At around 180 pages it's a nice little time filler. 1 of 1 people found the following review helpful. Creepy Good Time! By Not Now... Mommy's Reading I really enjoyed reading this collection - good stories, great illustrations. My only complaint is it seemed way too short for the \$9.99 price tag. Other than that, I thoroughly enjoyed and look forward to future gatherings with Uncle Creepy and kin. 0 of 0 people found the following review helpful. Great By 101yard Great deal
