Ed Brubaker : Criminal Volume 1: Coward (Criminal Tp (Image)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Criminal Volume 1: Coward (Criminal Tp (Image)):

0 of 0 people found the following review helpful. Great noir.By C. D. VarnLeo Patterson is one of my favorite of the Brubaker and Philips creations and Criminal is one of my favorite of their books. This is pure neo-noir, flawed anti-heroes against worse criminals, and there is fall-out everywhere. While I actually have liked some of Philips's art better in other books--he is particularly good at 1940s and the 1970s aesthetics--his work here is strong and doesn't

ever distract from the story.0 of 0 people found the following review helpful. Not bad, not greatBy April S.The art work is decent and the story is okay. Just not quite what I was expecting. (Keeping in mind that a few of my favorites are Preacher, Lucifer and Sandman. Nothing else really seems to compare to those, but I'm always lookin.) ;)0 of 0 people found the following review helpful. Five StarsBy Jay L. KiserGreat read! Want them all! Art enhances story tremendously!

The best-selling crime series returns to print in strikingly-designed new editions from Image, starting where it all began. Criminal Volume 1: Coward a new take on noir that turned the heist story on its head, and created a whole new underworld for Brubaker and Phillips to explore.
