Ed Brubaker : Criminal Volume 6: The Last of the Innocent (Criminal Tp (Image)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Criminal Volume 6: The Last of the Innocent (Criminal Tp (Image)):

2 of 2 people found the following review helpful. I can think of no better outro for the Criminal universeBy Drown HollumArchie chooses Veronica, and after a miserable decade of regret decides that his only way out is to murder her.That's the elevator pitch for the final volume of Ed Brubaker's and Sean Phillips' Criminal series. The Last of the

Innocent is an exploratory trip through the power of nostalgia, and the relativity of morals. I can think of no better outro for the Criminal universe, than Riley Richards' search for purpose in the two-tone world in which he lives. You might not fall in love with any of the characters featured here, but the story will tug at your gut in a way that only Brubaker and Phillips can manage. 0 of 0 people found the following review helpful. Great story, great art. By Sui Juris I just discovered these, and bought two to check it out (read #3, then this one). I am blown away at how fantastic these are, especially this particular issue. The art, the writing....classic addition to my comics collection. I just wish there were many more. 0 of 0 people found the following review helpful. Nobody is innocent in Criminal! By Bobby Nash I can't say enough good things about Eb Brubaker and Sean Phillips' Criminal series. It is absolutely fantastic crime fiction and Vol. 6: The Last of the Innocent is no exception. Highly recommended.

Brubaker and Phillips' gorgeous, new Criminal editions finally gets to the most critically-acclaimed and innovative piece of pulp fiction they've ever done. One-part a coldblooded murder, one-part a twisted meditation on nostalgia through the lens of kids comics. It's "like Watchmen for the Archie set" as Criminal reaches new heights!
