Wow!!! ^-^0 of 0 people found the following review helpful. Five Stars By Customer Wonderful! 0 of 0 people found the following review helpful. BEST STORY EVER! By jchick7 Best series of all time, both the art, the romance, and the fantastical, mysterious plot. You cannot love yaoi, and not read this one. Plus the published versions of this story make so much more sense than the fan-made translations. For one thing, everything is in order, and

obviously translated properly. I love this story so much more now that I understand what's going on, and I can't wait for the next volume!

Prince Vald continues his journey with the sorcerer Halvi, seeking a means to break the curse that causes him to transform into a demon at night. But enemies looking to take the power of Valds cursed sword for themselves bewitch Halvi in an attempt to make him fight the young prince! Forced to the brink, Halvi makes a crucial choice. Reads R to L (Japanese Style) for mature audiences.
