**Simon Spurrier, Justin Jordan : Crossed Volume 11 (Crossed Tp)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Crossed Volume 11 (Crossed Tp):

Story is dull and not very much had changed within the crossed ...By Phoenuxx59 Story is dull and not very much had changed within the crossed series. Usual killing and depraving things that happen but overall I do think it's not worth reading (it doesn't help at all but I have read almost every volume up until this one).0 of 1 people found the following review helpful. **CROSSED IS THE BEST!**By Terry

HoldbrooksCrossed is the comic that sold me on comics. It is the only comic that I buy without fail, where as others I usually download, read, and then purchase if I enjoyed them enough, such as Watchmen or 303.0 of 1 people found the following review helpful. This was a great one. Only complaint like other reviewers stated is ...By Amanda SThis was a great one. Only complaint like other reviewers stated is that I noticed a few typos, missing words, that sort of thing. But great overall.

The Crossed universe is an unyielding nightmare vision of animal depravity and homicidal insanity. Never before have images of such stark terror been captured and conveyed unflinchingly by master horror storytellers and illustrators than in the miserable, bloody pages of Crossed. In this volume, two of the industrys best new talents come together to tell very different stories of despair. Simon Spurrier takes you to a picturesque environment in the English countryside with tweeting birds, friendly vicars, crumpets and jam, and a mob of Crossed lurking near the duck pond. No one sees Wheezy, the fat asthmatic kid, hiding up in the old tower but if he shows his face it will only be the farmers wife between him and a bloody fate. The problem is, shes Crossed, too! Such jolly larks! And newcomer Justin Jordan tells his first diabolical tale as two women attempt to escape the band of monsters out for their blood. When a mysterious, unseen Samaritan helps them escape to a sanctuary, it seems as though theyve found what little safety there is in the new world order. But trusting anyone in the world of Crossed usually leads to a gut-wrenching and miserable end. Collects Crossed 2014 Annual and issues #57-61 of the ongoing Crossed: Badlands comic book series.
