David Lapham : Crossed Volume 2: Family Values before purchasing it in order to gage whether or not it would be worth my time, and all praised Crossed Volume 2: Family Values:

3 of 3 people found the following review helpful. One of the best Crossed storiesBy Myth DeMorteOne of the best Crossed stories. Not for the squeamish or the faint of heart. I wouldn't keep it in the house if you have kids. Definitely NOT for younger readers. My 22 year old apprentice piercer told me "I'm not sure I'm old enough to read this," when she finished.0 of 0 people found the following review helpful. Everything you thought would be too much to printBy

Cal RuderWow, I thought I had or seen or read some messed up ideas but this had them in quantity. Kinda impressed that such messed up ideas were okay'd and put in a product for the masses to be able to read. Was pleasantly surprised.1 of 1 people found the following review helpful. Strange but captivatingBy W. BaughI am trying to work my way through the Crossed collection from the beginning and this one is a bit more twisted than the others I have read. They're all twisted, but this one takes it a but further as it delves into a family situation with a complete douche and how he treats his family. It seems that it took a piece of The Walking Dead and worked it into the storyline. It borrows the governor's love for his daughter and the determination to keep her for as long as he can. Still, once you begin to read, you'll find it hard to put it down.

In one terrifying moment, civilization crumbled. An outbreak of insanity swept across the planet, turning millions of people into the homicidal maniacs known as the Crossed. But from their isolated horse ranch, the Pratt family of North Carolina remain uninfected and defiant. Bonded together as generations of working, living, and learning together, they rely on Joe, the family patriarch, to see them through the apocalypse. But the Pratt family has a deep, dark secret one that threatens to tear them apart, even under the constant threat of the murderous hordes. See, some men are turned to Crossed, but others others are just born evil. Eighteen year-old daughter Adaline will soon discover which breed is worse. David Lapham, the critically acclaimed creator of the gritty STRAY BULLETS series, delivers a tale so twisted, so shocking, it more than earns its place next to the original runaway bestseller, *CROSSED VOLUME 1*, by superstar writer Garth Ennis!

About the AuthorBeginning his comics career as a freelance artist in 1990, David Lapham founded El Capitan Books in 1995 exclusively to publish his Eisner Award-winning crime comic book series, STRAY BULLETS. In recent years, he has worked as a writer for DC Comics, Marvel Comics, IDW Publishing, Dark Horse, and finally Avatar Press, on three *CROSSED* projects (*FAMILY VALUES*, *CROSSED 3D*, and *PSYCHOPATH*) and 2011s *CALIGULA*.
