It's wild from start to finish with a usually great story line! And always great drawings. The visuals are perfect every time. This one in particular was great. I loved the idea that they could be smarter and play the

right cards and do things to get ahead.1 of 3 people found the following review helpful. SatiatedBy ThorneIf you like Crossed then you know what to expect by now. One of the story arcs in vol 7 is a follow up on Vol 3 Psychopath, which I was very excited to read. As I said, you should know what to expect by now lol. Shipping on time and package perfect.0 of 2 people found the following review helpful. Five StarsBy Shawn B.Graphic but really good

Christos Gages debut in the Crossed mythos is one you wont soon forget. This volume of Crossed takes readers into the mind of a traitor to the human race. An anthropologist who sides with an alpha-Crossed to spare his life and betray the struggling survivors around him. Watching his own usefulness dwindle in the eyes of the violence hungry Crossed, he must ultimately make a decision if death will come to him on their terms or his. And fan-favorite, horror master David Lapham returns to the series that he helped establish with a story that pushes the boundaries of sanity to the very brink. The horrific violence of the Crossed spills across the page leaving images that will haunt your nightmares for years to come. There is no help. There is no hope. There is only the Crossed. Go where other horror survival stories fear to tread and enter the grueling world of the Crossed! Trade collects issues #29 - 36 of the ongoing Crossed: Badlands series.

About the AuthorBeginning his career in comic books as a freelance artist in 1990, David Lapham founded El Capitan Books in 1995 exclusively to publish his Eisner Award-winning crime comic book series, Stray Bullets. In recent years, he has worked as a writer for DC Comics, Marvel Comics, IDW Publishing, Dark Horse, and finally Avatar Press, on three Crossed projects (Family Values, Crossed 3D, Badlands, and Psychopath), Ferals, and Caligula.
