**Simon Spurrier : Crossed: Wish You Were Here Volumes 1-4 Slipcase Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Crossed: Wish You Were Here Volumes 1-4 Slipcase Edition:

Simon Spurrier's award-winning *Crossed: Wish You Were Here* is the first and only long form story set in Garth Ennis' horrific world of infection and depravity. A contagion or a curse has decimated the planet. Marked with a bloody cross, the Infected are driven to indulge their sickest desires. In this world of psychos, savages, and sexual predators, the few remaining uninfected learn to keep moving, endlessly fleeing fate. This is the story of those who refused. Those who are too desperate, too angry, or too broken to hide from horror. It's the story of a comic-book writer who witnessed the downfall of London, and now finds himself in the midst of a new community, a new start, on a barren island off the Scottish coast. Pretending, just for a while, that he's safe, that he's useful...that he has a future. It won't last. There's no sanctuary. No fighting back. No hope. There's only the Crossed. This four-volume collection of *Crossed: Wish You Were Here* is beautifully presented in a value-priced collector's slipcase edition for the first time.
