the following review helpful. Warning. Ruined by fulfillment centers (warehouses)By Richard ClappThe story and the art work are great. The reason it was docked two stars in the large sticker they place on the back. Little Big Smiles, is using fulfillment. The sticker put on is NOT an easy peel as should be on these books, instead they put on one that leaves massive amounts of residue and is very difficult to remove. The book is ruined and devalued as a collector's item. If you are planning on keeping as a collectable, then avoid these dealers that use fulfillment. The book will be nothing but a "reader"
