**Tomoya Haruno : D-Frag!, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised D-Frag!, Vol. 1:

1 of 1 people found the following review helpful. Funny Series - Highly RecommendedBy Tim JohnsonI was first introduced to D-Frag! by buying the anime and I was hooked with it. It has more of a comedy then a romantic basis and you can't help but laugh when watching it. Kenji Kazuma's comebacks (and his sister's) are extremely amusing. I wanted to by the books to see if there were any differences in comparison with the anime and I'm glad I did.. there was quite a bit of extra things that happened especially in Vol 4. So if you've watched the anime you definitely need to get the books so you can piece together more of the back story and even learn the identify better of some of the characters.

The basis of the plot is Kenji get's roped (quite forcibly) into joining the game development club (temp.) by Roka where his life does quite the 180 at first but as time proceeds he accepts being part of the group but still has moments where he would enjoy being freed from the club. 5 of 5 people found the following review helpful. Five Stars By Gambeno Great story, and very funny. 2 of 2 people found the following review helpful. D-Fragged By Bento Amazing manga. I'm so glad this is getting an American release. If you enjoyed the anime series, the manga is totally worth it. I hope to see more of the series being released.

**NOW A HIT ANIME!** Kazama Kenji thinks he's a delinquent. He's got the look, the style and the tude to match he even has a second-rate entourage. Deep down, however, Kazama is a good-hearted kid who finds himself and his loyal gang in over their heads when they stumble upon the Game Development Club. The club's formidable members are four girls who he might actually be attracted to if they weren't so freakin' weird. The girls claim to have otherworldly powers which they use to defeat Kazama's gang and force him to join their offbeat club. Can Kazama resist the girls' bizarre charms and return to some semblance of a normal, everyday life or is it "game over" for our hapless hero?

**About the Author** Tomoya Haruno is best known as the author and artist of D-Frag!, and has contributed to the Lucky Star anthology collections along with the Haganai Anthology Comic collections.
