Tomoya Haruno : D-Frag! Vol. 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised D-Frag! Vol. 4:

If you watched the anime and enjoyed it you'll enjoy the manga as wellBy CustomerD-Frag is essentially a gag-comedy with the protagonist being the only guy in the game development club (temp) and the straight man to the girls eccentric personalities. If you watched the anime and enjoyed it you'll enjoy the manga as well, but Volume 4 won't cover any new ground. If you want to immediately jump into content the anime (and OVA) didn't cover start with volume 6.0 of 0 people found the following review helpful. Five StarsBy GODGreat comedy series. Very silly2 of 2 people found the following review helpful. "It's very tight and cramped in

here."By ViBeVolume 4 of D-Frag! contains chapters 22 to 28 (7 chapters) and a few extra chapters at the end that are worth reading. If you bought the previous 3 volumes, this 4th volume is pretty identical to make and size of the books by 7S.Other than that, the first 2 chapters focus on Kazama Kenji, the central protagonist, and Takao, captain of the Real Game Development Club dealing with the events that happened in the last volume and the two going out and buying a video game. The interactions between these two are some of my favorites in the entire series because seeing Takao fumble around Kenji is pretty enjoyable.Chapter 24 introduces Kazama Noe, Kenji's little sister, getting into complications with the temp Game Dev. Club (Temp). She and Mizukami Sakura of the Game Dev. Club (Temp) (Both Noe and Sakura are the cover girls this volume) end up going at odds with each other in another competition arc that spans the last half of the volume. Sakura teasing Noe and Noe in turn being embarrassed around Kenji because of the teasing is another thing I found to be very enjoyable to read this volume.Overall I enjoyed this volume, I actually enjoyed it a bit more than the previous 3. Buy this if you enjoyed the previous 3 volumes of D-Frag! by Tomoya Haruno.

A RACE TO REMEMBER!When Kenji joined the Game Development Club, he didn't realize what he was signing up for! The girls in the club are totally comfortable with threatening, blackmailing, and doing whatever it takes to compel Kenji to take part in their latest crazy scheme. While Kenji has pretty much resigned himself to his own fate, everything changes when the club tries to recruit his little sister Noe into its ranks. Can Kenji keep his innocent sister out of the fray? The hijinks get faster and fiercer!!
