**Tomoya Haruno : D-Frag! Vol. 7** before purchasing it in order to gage whether or not it would be worth my time, and all praised D-Frag! Vol. 7:

2 of 2 people found the following review helpful. Pure satisfaction By M. Stivers A very clever and satisfying comedy in this new volume of D-Frag!. I won't give what goes on in it away and since this is the seventh volume, and you've been with it this far, chances are you, like me, will be happy by what you read. Give it a try. 0 of 0 people found the following review helpful. Newest volume (at the time of this review) By Ivan Lule The start of a what seems to be a long arc, a great addition to the D-frag manga. There is a TON of new characters introduced in this volume. Some of which seem like they will have a larger part in the next volumes. We also get to see some returning faces, both

Funabori and Noe. Noe which has as much of a part in this volume as her introduction in volume 4.0 of 0 people found the following review helpful. Perfect series if you like random!By Stephen FWhat can one say, this story is ridiculous to the max! Some of the jokes are predictable / standard fare as the story goes on, but are well timed so as not to be droning or over repetitive. I often catch myself actually laughing aloud while reading this series.

D-Frag! is a new ongoing manga series that parodies high school clubs, nerd culture, and the slice-of-life genre in a side-splittingly hilarious storyline.READY FOR ADVENTURE!When the Game Development Club decides to go to the mysterious Famous Athlete Hashimotos Adventure Island. Kenji knows its not going to be a normal field trip. Once on the island, they meet up with game clubs from other schools for a tournament, but beore it begins, four masked villans kidnap the master of ceremonies! Can Kenji and his clubmates rescue Famous Athlete Hashimoto and still squeeze in a leisurely visit to the beach?

About the AuthorTomoya Haruno is best known as the author and artist of D-Frag!, and has contributed to the Lucky Staranthology collections along with the Haganai Anthology Comic collections.
