After reading about nine volumes now I can say that this a great series and I can't wait for the next volume0 of 0 people found the following review helpful. A Fun SeriesBy patrick murphyIt was an amusing to read. I'm looking forward to get the other volumes.0 of 0 people found the following review helpful. NiceBy JoelD-Frag is funny as always! The -given synopsis is pretty much spot on- although the road to Kazama's fated battle with the half-chibi-half-human Roka is much longer than it may seem, with

guest appearances from just about everybody. Collects chapters 59-65, with a couple (shorter) bonus chapters.
