I really enjoyed this and want to get more stuff in this format.1 of 1 people found the following review helpful. Excellent Black Templar graphic novelBy Jae-Hoon KimThis is extremely badass. I really like the approach they took to describe the life of a Black Templar from a neophyte's point of view to a Dreadnought! The colors they

took time to put into the respective different factions are impressive as well. 0 of 0 people found the following review helpful. but was satisfied with story By Cary M. Scott Did not expect a graphic novel, but was satisfied with story.

Three noble defenders of the Imperium of Man - the Black Templars Raclaw, Gerhart and Tankred - face conflicts that will break the stars apart. The Black Templars are fearless champions and unforgiving crusaders against the enemies of the Emperor and the Imperium of Man. Forged from the Imperial Fists Legion in the aftermath of the Horus Heresy, the Black Templars have undertaken the longest crusade the Imperium has ever known to prove their loyalty. This action-packed graphic novel focuses on three of their number Raclaw, the young Neophyte; Gerhart, a warrior of the elite Sword Brethren; and Tankred, the ancient yet mighty Dreadnought as they battle the enemies of Mankind across the stars.
