Great Finale for Killer Awesome Series!By Hakuoki_fangirl!This volume picks right up where Volume 3 left off. It's the final volume of the Danganronpa: The Animation series, so it ties up all of the remaining loose ends. And it

does a great job! I didn't count them out, so I could be wrong, but it seemed like there were more two-page panels in this volume. Not only did it boost the quality of the already great art, it gave a sense of intensity to the final trial. Dark Horse did a superb job with this release, as with the previous three volumes. They've included more Despair Mail, which is always a fun treat! I really hope they pick up other manga featuring this series!

With only six students remaining alive out of the original 15, the final trial will also reveal the mastermind behind their imprisonment in Hope's Peak Academy...and the true purpose behind the deadly game they've been forced to play! The survivors might count themselves lucky to have been right...but are they sure they've counted themselves right...?The latest Danganronpa videogame was released in 2016 through NIS America!Based on the Danganronpa anime TV show, released in 2015 through Funimation. A quirky, fun, weird, dynamic take on the high school Battle Royale genre.
