Charles Soule : Daredevil: Back in Black Vol. 2: Supersonic (Daredevil (Paperback)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Daredevil: Back in Black Vol. 2: Supersonic (Daredevil (Paperback)):

0 of 0 people found the following review helpful. Devil went down to Macao By Ian McKee This collection has two

stories in its with an annual at the end with two other tales. The first two parter features elektra, and is probably the better of the two. She is interestingly written, and the mystery of her daughter was good. It is the second arc in a row now with a mystery player setting things in motion, but I like what's going on enough that it doesn't bother me. The second arc is daredevil in Asia, and costars spiderman. It's fine, but nothing special. I did like the visual of the fight in Matt's landscape, but otherwise really rather unmemorable. He annual is fine, if abit easy in terms of resolution. All in all, another good collection of daredevil, and I'm in for more.0 of 0 people found the following review helpful. DD playing Texas Hold Em' is a must-read!!!By LightningCometThis was a fun little anthology; rather than have a single continuous story arc like in "Chinatown", we get smaller arcs of about two issues each. The first arc deals with Elekta's return, and the next has Matt Murdock travelling to Macau to secure a package containing something especially sensitive the only way he knows...gambling???!!!??? And who better to assist him than Peter Parker as Spider-Man? We also get a side story involving Echo and Ulysses Klaw, and another involving Melvin Potter aka Gladiator. All in all, though, this book is a must-read if you are liking All-new all-different Daredevil. Happy reading!0 of 0 people found the following review helpful. Elektra returns!By Bryananother great volume of this Soule era too bad Ron Garney did not draw this second arc with some fill artist that tried mimic him. the downside of this volume was the annual which not only is disappointing that did nothing new to Echo/DD relationship but the art was atrocious. Always great to see Elektra and the spiderman team up was great even I'm not a spiderman fan. can't wait for vol 3!

Matt Murdock is back in his old stomping grounds of New York City, and somehow he has managed to hide his secret identity from the world once again. But there are some parts of his past that Matt can never escape. Ghosts like the first woman he ever loved and lost. Now, Elektra Natchios is back in the Big Apple and she's got a deadly score to settle with the Man Without Fear! This will be far from a happy reunion, as Hell's Kitchen knows no fury like an assassin scorned. Daredevil's dark new direction continues!COLLECTING: DAREDEVIL 6-9, Annual 1
