**Ed Brubaker : Daredevil By Ed Brubaker Michael Lark Ultimate Collection - Book 1** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Daredevil By Ed Brubaker Michael Lark Ultimate Collection - Book 1:

5 of 5 people found the following review helpful. Brubaker + Daredevil = Awesome Comic Book series By ChongoBy

far one of my all time favorite characters. I absolutely love the twist turns Brubaker brings to the world of Matt Murdock. Usually Frank Miller Brian Bendis are the popular names when mentioning DD but personally, Brubaker has become my top name. He really know how to write this character just "get's" him plus the he put's very gritty realistic takes on various characters like Wilson Fisk, Tombstone, Hammerhead, etc. The brilliant, shadowy art intelligent dialogue make this one excellent series. If there's any Marvel comic you'd want to check out, I'd have to highly recommend this one. This volume also proves why DD is one of the greatest characters in comics. 'Nuff said.0 of 0 people found the following review helpful. Is it as good as the Bendis and Maleev runBy Matthew PaulsenBrubaker's crime noir style of writing and Lark's noir style of art just work on Daredevil. Is it as good as the Bendis and Maleev run? No, but it didn't miss a beat from the end of that through this run either. Consider this the second best run on the character.0 of 0 people found the following review helpful. Stop whatever you are doing and buy this now.By MrChamberlainThis is Daredevil at its best. I just finished the Bendis Maleev arcs and I thought that was some of the best DD writing I had ever seen...until I read this. If you read nothing else read these books.

The critically acclaimed, award-winning creative team of Ed Brubaker and Michael Lark make their explosive debut! For the past few years, Matt Murdock's life has been teetering on the edge of destruction. Now, pushed beyond the limit, Matt finds himself behind the eight ball with no clear way out, the people he calls friends slowly deserting him, and Hell's Kitchen gradually slipping out of control. The question is, when his back is against the wall, just how far will Daredevil go to get back what is his? Plus: a special episode focusing on Daredevil's best friend, Foggy Nelson. Spinning out of the stunning finale of Brian Michael Bendis and Alex Maleev's ground-breaking run, Brubaker and Lark pick up the billy club and run as hard and as fast as they can to leave their own mark on one of comics' most enduring legends.
