Mark Waid : Daredevil by Mark Waid Chris Samnee Vol. 5 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Daredevil by Mark Waid Chris Samnee Vol. 5:

0 of 0 people found the following review helpful. MasterpieceBy JeremyDaredevil is one of the most tragically underrated super heroes of all time. There have been three truly great daredevil writers that make the hero worth caring about. Frank Miller, Brian Michael Bendis and my personal favorite who wrote this Mark Waid. Issue 26 single handedly hot me not only into daredevil but back into reading comics as a whole. It's marvelous. It's easily the best comic marvel is currently putting out. Did I mention I love it? 1 of 1 people found the following review helpful. Fun

but quick read with nice clear artworkBy Scott RossFun but quick read with nice clear artwork. Waid does a nice job always coming up with interesting stories and ways for DD to use his powers, which must get tricky to do with a comics character who has been around for 50 years.0 of 0 people found the following review helpful. Excellent story, excellent art.By Timothy S. MitchellI love this series so much. Waid's writing had me on the edge of my seat, trying to figure out who dunnit - it was hard to put down! Samnee's art seems simple at first, but study the action panels, and you'll see why he won an Eisner award for this work. I'm pumped to read the next few volumes!

The shocking climax of Mark Waid and Chris Samnee's beloved, Eisner Award-winning run! One of Daredevil's oldest enemies makes his return -but which one? A mystery that's been building since the very beginning is about to pay off big. Meanwhile, writing his own life story has forced DD to face his darkest demons -what will his closest friends think of the man he is becoming? He's fought hard to build a new life, now he must prove he has what it takes to keep it. COLLECTING: DAREDEVIL 11-15, 15.1, 16-18
