Mark Waid, Greg Rucka : Daredevil by Mark Waid Omnibus Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Daredevil by Mark Waid Omnibus Vol. 1:

8 of 8 people found the following review helpful. Breath of fresh air By J. Guymon Many of us who have followed DD over the years have become adjusted to the grim and dark tone that was set by Frank Miller and continued by many others over the years. This is a breath of fresh air and injects new life into a somewhat stale character up to this point. The art is light and colorful, the writing is amazing, and the inks are super tight. This is a must read. If you are familiar

with Mark Waid then you will know you are in for a treat. 10/101 of 2 people found the following review helpful. Five StarsBy Customeras promised!3 of 10 people found the following review helpful. Possibly one of the worst Daredevil stories ever toldBy DrewPossibly one of the worst Daredevil stories ever told. Would not recommend to anyone unless you've always wanted Matt a happy go lucky schmuck like Archie stuck in a not quite as interesting Nightwing story.

The devil is reborn - and his adventures will leave you gasping for air! The Man Without Fear will visit his unique blend of blind justice on Klaw, the Megacrime cartel and the Mole Man, while the hotly contested battle to secure the Omega Drive will require Daredevil to team up with Spider-Man and not one, but two Punishers! But, as size-changing scientist Hank Pym enters Matt Murdock's head to destroy robots implanted by Doctor Doom, will saving Daredevil's brain cost him his mind? Ghosts from the past will haunt DD, while Matt faces a life-or-death drama of his own. With new enemies, new friends and a "grinnin' in the face of hell" attitude, Mark Waid delivers an Eisner Award-winning DAREDEVIL run like no other! COLLECTING: DAREDEVIL (2011) 1-27, 10.1; AMAZING SPIDER-MAN 677; AVENGING SPIDER-MAN 6; THE PUNISHER (2011) 10
