Mark Waid : Daredevil by Mark Waid Volume 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Daredevil by Mark Waid Volume 3:

3 of 3 people found the following review helpful. Mark Waid does it again! By Gadaire Mark Waid does it again: the third and final volume of his "Daredevil" run (now relaunched and currently going with both Waid/Samnee still attached) keeps the momentum and suspense of the previous two volumes, and makes a beautiful close. The actions and events of the last two volumes come full circle, with a surprise twist that was nicely executed. New and old villains returned, giving good 'ole Horn-head a good fight/mystery, all while Matt dealt with a problem that even he

had his hands tied on. While there were one or two filler issues in the whole set, this run was amazing and never disappointed, all the way up to the end. The way the series was closed was brilliant, even though it meant certain things had to come to an end while new doors opened. Samnee's art was great, matching the writing perfectly and stayed balanced yet powerful throughout (I still prefer Rivera's from the first volume, however I'm biased) and helped the story maintain its excellence. I really liked some of Samnee's covers too, including the one on the cover of the hardcover itself with the play on words, "There Goes the Man Without Fear..." I couldn't be happier, both for how good it was and how well Matt is evolving as a character, yet staying true to his roots. I am eager to read the new DD series, knowing that it will be just as good as the first 3 by Waid/Rivera/Samnee!!! For any fan of the Daredevil character, this and Volume 1 2 is a must read! 2 of 2 people found the following review helpful. Five Stars By JC JIM. IF YOU ALREADY BOUGHT VOLS. 1 2 YOU KNOW YOU WANT TO HAVE THIS ONE AS WELL. 1 of 1 people found the following review helpful. You guys, buy this now... By Chris Oelrich Pro's+ Waid at his absolute best+ Top Notch Art+ Daredevil loves his job, and we love watching it+ Incredible callbacks to the very first Issue+ Amazing story that fits together perfectly+ Genuinely hilarious Con's- Some filler issues- Last story arc, while brilliant, could feel a bit out of place..

Mark Waid's critically acclaimed Daredevil saga continues! As a life-or-death drama plays out in Matt Murdock's personal life, he faces the hidden foe behind his recent troubles: an unstoppable enemy with a connection to Daredevil's origin! How will the demons of Matt's past lead to Daredevil-sized problems in the present...both on the streets and in the courtroom? The Silver Surfer and Hank Pym guest-star as Daredevil faces down the Jester, meets his new law partner, and finds himself trapped in a monstrous nightmare! And when Daredevil targets the Sons of the Serpent, the secret clan who rules the city's justice system, he soon finds out just how blind justice can be!
