A Beautiful BookBy GGivensLike Daredevil: Yellow by Loeb and Sale, Guardian Devil is a beautiful book! Kevin Smith wrote an amazing, thought-provoking

story. I really feel like he poured everything he had into this story. Joe Quesada, along with Jimmy Palmiotti, did some of the best work of his comics career. Like Smith, those two gentlemen left everything they had on the page. Whether you purchase the original books, the graphic novel or on Kindle, this story is worth the price you'll pay. 0 of 0 people found the following review helpful. Five Stars By ashLove this story!

A scared teenager on the run. An infant child some say is humanity's savior. A former lover whose life is now hobbled by a terrible secret. A law partner accused of a horrible crime. A city being overcome by an inscrutable menace. They need a guardian. Someone to protect them. Someone with faith in them. They need Daredevil. "Guardian Devil" found Kevin Smith (Clerks, Chasing Amy) confidently transitioning from writing acclaimed screenplays to comics that hit the top of the sales charts and critics' lists. It also found artist Joe Quesada at his peak as the stylist that would usher Marvel Comics into the 21st century - both as an artist and its future editor in chief. Collects Daredevil #1-8, 1/2
