Charles Soule : Daredevil/Punisher: Seventh Circle before purchasing it in order to gauge whether or not it would be worth my time, and all praised Daredevil/Punisher: Seventh Circle:

1 of 1 people found the following review helpful. Daredevil/ Punisher 7th circle By vince west I love Punisher and really like him fighting Daredevil. I wish this fight was a little more violent but it was still good. 1 of 2 people found the following review helpful. Five Stars By Steve Very happy 2 of 3 people found the following review helpful. Not the best and not the worst. By Jonnie Sparko Some of the writing in this book is pretty bad, but the story was entertaining

enough to have kept me wanting to finish it. Reading this four issue collection is like watching a summer blockbuster. It doesn't go too deep, but it has thrills. The acting isn't all that, no one is winning an award, but you watch the whole movie to see how it ends. You watch the movie, eat your popcorn, and you go home and do laundry. The story won't be leaving a lasting effect. The art is ok, nothing spectacular. I do like the color palette used. It's properly dark in all the right places. But the writing as a whole... Some of the dialog feels like it came out of an 80's action flick or written in the silver or bronze age of comics. Some of the reactions to particular events seem out of character and/or like Soule took the easy way out of a situation he wrote himself into. I really am enjoying Soule's work on the main book, and I have to imagine that he rushed this one a bit. Maybe because Marvel wanted a DD/Punisher story to coincide with the Netflix show? I can't say for sure. Thing is, there is no depth here, it's all just camera tricks and special effects. You watch the trailer to this movie and you've probably seen all you need. I'm telling you not to buy this, go ahead and do it, it's a fun book, but also, don't go in with super high expectations.

A simple change of venues for one of Matt Murdock's cases becomes more complicated when THE PUNISHER attempts to send the defendant away...permanently! If DAREDEVIL and BLINDSPOT want to get this mobster his day in court, it will take every ounce of wit and wile they have. All Frank needs to get what he wants is a bullet. The race is on! COLLECTING: DAREDEVIL/PUNISHER: SEVENTH CIRCLE 1-4
