**Mark Waid : Daredevil Vol. 3: The Daredevil You Know** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Daredevil Vol. 3: The Daredevil You Know:

0 of 0 people found the following review helpful. Changes for Daredevil By Adam Graham The Daredevil you know continues the saga of Matt Murdock in San Francisco in Issues 11-15 of the last Mark Waid volume of Daredevil. Issues 11 and 12 feature a return engagement for Stuntmaster, who faced Daredevil several times in the

1970s. There's a mystery as well as an examination of Matt's relationship with one of his long-time frenemies. Issue 13 finds Matt nervous about Kirsten McDuffie, his girlfriend who he fears will face the same sort of fate as past love interests as she appears to be being stalked by a dangerous criminal. Then Issues 14 and 15 feature a bit of a sea change as Matt decides to radically change his look as Daredevil as his outlook as Matt Murdock. However, his life is subject to some unexpected complications when the daughter of an archenemy turns to him for help and a turn of events sends him desperately to an unexpected source for help. Overall, this penultimate book another solid volume in Waid's run on Daredevil. So much of the character work Waid has done since the last series is coming to fruition here. Overall, this is a superb collection. 0 of 0 people found the following review helpful. Waid and Samnee's Daredevil will remind you WHY you adore this medium. By CWCMark Waid and Chris Samnee unexpectedly rocketed to my favorite Daredevil writer | artist team. The stories are imaginative. It rivals Matt Fraction's sui generis take on "Hawkeye," and eschews the cliché grim and gritty narratives that have too long held sway as the only take on Daredevil. 0 of 0 people found the following review helpful. I cannot go low ratings for DDBy Kindle CustomerExcellent story

Daredevil's recent traumas have left him coping in an unexpected way! A mystery that's been building since issue one starts to pay off big! San Francisco now has TWO men without fear -- and only one will be left standing!

COLLECTING: Daredevil 11-15
