David Lapham : Daredevil vs. Punisher: Means Ends (New Printing) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daredevil vs. Punisher: Means Ends (New Printing):

0 of 0 people found the following review helpful. Great book! By Chris Francz I really liked this. The story is very fast-paced and the art is great. I enjoyed it the way I enjoyed reading comic books in 1978-1983. Daredevil and Spider-Man and sometimes Batman are the only superhero books I read from time to time and this book was lots of fun and I felt it was worth the time to read! 0 of 0 people found the following review helpful. Good story for fans of both

charactersBy AnimefanloverVery good story! Course the star is Daredevil but I got this as a Punisher fan first. Let me say that it did a fair portrayal of him too. He isn't entirely portrayed as the villain. Both characters have reasons and good ones for how they act1 of 2 people found the following review helpful. Good but nothing we haven't seen beforeBy Dylan LucianoDaredevil and the Punisher are two characters that have fought each other several times over the years. They not only physically fight, but fight over what Justice truly is. If its right for someone to take the law into their own hands or not. This book is a very good example of capturing causalities caught in battles, the thinking of both of these individuals and the art is very solid. While I do like this story I still think that Frank Miller handled this story better (The story I'm talking about is in Essential Punisher volume 2) but then again it is hard to fight Frank Miller when he's at the top of his game.

The battle for the soul of Hell's Kitchen! It's wall-to-wall David Lapham (Stray Bullets) as the Eisner Award winner writes and illustrates two of Marvel's biggest icons! Daredevil and the Punisher clash as half the East Coast's underworld - in chaos since the Kingpin was deposed - scramble for a shot at the big chair. And as the city descends into chaos, as murder and intimidation become the staples of the day, Daredevil and the Punisher each seek to restore order in their own unique way. For Daredevil - who's anointed himself the city's new "Kingpin" - this means dispensing justice at the end of a billy club. COLLECTING: DAREDEVIL VS. PUNISHER 1-6
