Keeps you coming back for more By Warixewei Stephen King's Dark Tower series leads you from one adventure to another which each book. You really get to know the characters and their story as you go along. I love it almost as much as The Stand, I couldn't put that book down either!! 0 of 0 people found the following review helpful. Not like the movie at all. By Onion Okray This is a really good start of a series. Picked it up after I saw the movie, which has nothing to do with the book, so far. The 2nd book is also very riveting and has a plot that just keeps moving right along. Very cool concept.
