Dave Cooper : Dave Cooper's Overbite: Paintings Drawings of Mostly Pillowy Girls before purchasing it in order to gage whether or not it would be worth my time, and all praised Dave Cooper's Overbite: Paintings Drawings of Mostly Pillowy Girls:

1 of 1 people found the following review helpful. DAVE COOPERS ART IS WONDERFULBy JeffFull disclosure. I am biased. I worked on Dave Coopers show Pig Goat Banana Cricket at Nickelodeon. HOWEVER, that does not discount the fact that Daves art is stunning and I was a fan of his work before I got to meet the man himself. That said, this 34-page hardcover book is an incredible collection of his paintings which are beautiful to look at through his unique style. The introduction by David Cross is...well...perfect. You have to read it. Im hunting for Dave's other collected works now as well. Highly recommend this book.2 of 2 people found the following review helpful. sink yer teeth into sumthin specialBy 5 color cowboyDave coopers lush glazing of oils in the form of organic chub-scouts,is a sight to behold.I am so jealous that i didnt get to see these paintings in person,though if ya put your ear close enuff you can hear the gnashing of teeth. Underbelly is even better.

Subtitled "Drawings and Paintings of Mostly Pillowy Girls," Overbite is a hardcover art book featuring forty of Cooper's gorgeous oil paintings, each focusing on the female form. Cooper's vibrant use of color in the lavish, textured

rendering he uses to depict his favored body type "pillowy" is a particularly apt descriptive calls to mind a more colorful and surreal version of R. Crumb's obsessive and sumptuous portraits of women. This book also doubles as the sixth "issue" of Cooper's ongoing comic book series, Weasel, though as a stand-alone hardcover art book it bears little relation to the first five issues; it functions much better as a catalog for upcoming and recent exhibitions of Cooper's in Philadelphia, Ottawa, Los Angeles, and San Francisco. The book features an introduction by David Cross, of HBO's Mr. Show fame.

About the Author Dave Cooper is an animator, designer, and cartoonist who lives in Ontario, Canada. He has worked on Futurama, and co-created Pig Goat Banana Cricket for Nickelodeon.
