**Rei Toma : Dawn of the Arcana, Vol. 10** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dawn of the Arcana, Vol. 10:

0 of 0 people found the following review helpful. The perfect gift for a teen girl!By S. FisherMy granddaughter loves this series, and she was very pleased to receive the Dawn of Arcana as a gift. This series is great for young teen girls.0 of 0 people found the following review helpful. Love this seriesBy ImakittymewmewI really like this series and this volume provided an unexpected event which I like. Would recommend. I can't wait for the next one.0 of 0 people

found the following review helpful. Nakaba and Caesar vow to lead their kingdoms and reunite, but will it be that easy? By Leaf Quickly wrapping up the cliffhanger from volume 9, Nakaba and Caesar both vow to lead their kingdoms after seizing power, and to reunite with their kingdoms in alliance. It wraps up a little too fast, but it works to carry the plot. This suddenly twists as we move forward in time where Nakaba has married Adel and Caesar to Louise. Adel may not love Nakaba, but he does seem to like her somewhat, though I could never root for them if she and Caesar had never met. He attempts to "take her" since he did not on their wedding night, but doesn't go through with it when he realizes just how much Nakaba loves Caesar, and that he cannot provoke her to cry anymore. Louise has finally fallen in love with Cain, but it is obviously too late, which is rather depressing. Nakaba's hair has grown out somewhat, and I like this look better than her previous short hair.

A New York Times bestseller with gorgeous, eye-catching art and a romantic storyline that's addicting to read. Princess Nakaba of Senan is forced to marry Prince Caesar of the enemy country Belquat, tantamount to becoming a hostage. While Caesar is pleasing to the eye, he is also selfish and possessive, telling Nakaba outright: You are my property. With only her attendant Loki at her side, Nakaba must find a way to cope with her hostile surroundings, her fake marriage...and a mysterious power! Princess Nakaba of Senan and Prince Caesar of Belquat married each other for the sake of peace between their warring countries, yet the two find themselves drawn to each other even as political forces threaten to tear their world apart. In Lithuanel, Nakaba desperately searches for a way to save both her friend Akhil and his brother Azhal. Unfortunately, her visions show that only one of them will live. Meanwhile, Caesar's return to Belquat may mean the end of his relationship with Nakaba. Reads R to L (Japanese Style) for teen audiences.

About the Author Rei Toma has been drawing since childhood, but she only began drawing manga because of her graduation project in design school. When she drew a short-story manga, *Help Me, Dentist*, for the first time, it attracted a publisher's attention and she made her debut right away. Her magnificent art style became popular, and after she debuted as a manga artist, she became known as an illustrator for novels and video game character designs. Her current manga series, *Dawn of the Arcana*, is her first long-running manga series, and it has been a hit in Japan, selling over a million copies.
